AT PLANTATION GOLF COURSE

a

spectacular synergism of man and nature, the contemporary showpiece on Maui is what dreams are made of. Regally commanding the Pacific Ocean and island of Molokai from a lofty and luxuriant setting on the 18th fairway, the glass-walled wonderland brilliantly intermingles dazzling ocean panoramas and strikingly beautiful architectural elements. The voluminous space, some 7,267 square feet, melodiously merges indoor and outdoor venues into one magical marriage. A magnificent staircase at the entrance presents panoramic main entertainment settings highlighted

by a 25-foot-high living room. The futuristic flair continues to a lower-level oceanview office suite and to the second level's four bedrooms, reaching a dramatic zenith in the master suite, where a pristine spa bath and inviting balcony zoom out to the Pacific. \$9,450,000 Furnished.
